

Module 7 Learning Objectives

- Learn the requisite non-verbal communication strategies that create positive connections
- Learn how to develop your own narrative as a context for “Why”, “How,” and “What” you want to convey in your messages
- Learn how to create engaging first impressions that get attention quickly
- Learn how to craft a powerful close that creates a lasting impression
- Discover remedies to minimize “stage fright” and how to use that energy in your presentation
- Consider the impact of the virtual and hybrid settings on presentations
- Practice delivering a short presentation with peer and instructor feedback
- Prepare for final Module at which you will present a formal presentation to other members of the Class of 2021, members of the Board of Advisors, and other invited ACC NCR members
