THE ACADEMY CURRICULUM
is built on these three core dimensions of leadership

8 MONTHLY MODULES

- Fundamentals of Being a Leader
- Emotional Intelligence and Interpersonal Communication
- Developing and Leading High Performing Teams
- Managing Difficult Conversations and Influencing Stakeholders
- Creating and Inspiring Organizational Vision
- Problem Solving and Strategic Decision Making
- Executive Presentation Skills
- Capstone: My Journey Toward Leadership Mastery

LEADERSHIP CIRCLE PROFILE

The Leadership Academy kicks off with the Leadership Circle Profile (LCP), a research-based 360° assessment that measures both an individual's leadership strengths and the underlying thinking patterns that shape how others experience their leadership.
